Sale Terms and Conditions

Use caution while attending this sale. Central Wisconsin Horse Sale is not liable for injuries occurring on sale grounds.

All consignments must have a halter and lead rope, otherwise the sale manager will provide one at cost of consignor. Consignors are responsible for their horses up until the gavel fall, after which the buyer has full responsibility. We reserve the right to reject a horse for any reasons, including but not limited to: unsoundness, poor health conditions or improper documentations of registration, or health papers.

For out-of-state horses, we require a health paper and coggins. No exceptions!

All sales are final, the seller guarantees the identity of the animal as it appears on the registration certificate.

Central Wisconsin Horse Sale makes no guarantee as to soundness, quality, age or height of any horse consigned. Buyers are therefore responsible to examine a horse before they bid. Issues that turn up with purchased horses may be resolved between the previous owner and the buyer. Auctioneer's announcements take precedence over the printed catalog.

No private sales on auction grounds before or after the sale. All horses brought to the sale *must* go through the ring. Any private sales after a No Sale in the ring *must* go through the office, and the appropriate commission paid.

All checks for horses will be mailed out 10 days after the sale.
