*Please bring this catalog to the sale.*

## **Sale Terms and Conditions**

All consignments must have a halter and lead rope, otherwise the sale manager will supply one and charge the consignor for the cost. Consignors are responsible for their horses up until the gavel falls, after which the buyer has full responsibility. The sale owner reserves the right to reject a horse for any reason, including but not limited to: unsoundness, poor health condition or improper documentation of registration or health papers.

All sales are final. The seller guarantees the identity of the animal as it appears on the registration certificate. Central Wisconsin Horse Sale makes no guarantees as to soundness, quality, age, or height of any horse consigned. Buyers are therefore responsible to examine a horse before they bid. Auctioneer's announcements take precedence over the printed catalog. Issues that turn up with purchased horses may be resolved between the previous owner and the buyer.

**Use caution while attending this sale.** Central Wisconsin Horse Sales is not liable for injuries occurring on the sale grounds.

No private sales on auction grounds before or after the sale. All horses brought to the sale must go through the ring. Any private sales after a No sale in the ring must go through the office, and the appropriate commission rates paid.

All checks for horses will be mailed out 10 days after the sale.
